

CIRCULAR TO ONLY CURRENT E4 STUDENTS

As you are aware, academic schedule for the year 2019-20 was disrupted due to COVID-19, necessitating suitable adjustment of our academic activities. You must have been benefited by the online learning activities conducted by the University to continue teaching-learning process. RGUKT is now planning to conduct wrap-up classes for a week before examinations to supplement online activities. Both EST & Mid-3 will also be held in July 2020. In order to avoid travel and other hardships, RGUKT is planning to conduct examinations in the following additional centers apart from RGUKT campuses. But wrap-up classes will only be held only in Nuzvid and RK Valley campuses. Students are advised to indicate in the survey given below the topics that need to be covered in the wrap-up classes.

Students are free to choose any of the centers irrespective of their registered campus. The purpose of the survey is to ascertain the choice of students opting their center of examination as given below. Final decision will be taken by the University on the centers to conduct the examinations taking your choice into consideration. However, accommodation will be provided only in Nuzvid and RK Valley campuses. Should the students wish to attend wrap-up classes they have to necessarily go to their respective campus of study and also appear for the examinations after the wrap up classes.

Examination Centers

- RGUKT Srikakulam Campus, Etcherla
- Andhra University, Visakhapatnam
- Jawaharlal Nehru Technological University, Kakinada
- Acharya Nagarjuna University Campus, Guntur
- Vikram Simhapuri University Campus, Nellore
